### PART 3: BASELINE DATA FOR EDUCATION REFORM ASSURANCES

#### SPECIAL NOTES:

- In completing this portion of the application, please refer to Appendix B – Instructions for Part 3: Baseline Data for Education Reform Assurances.
- The data described in Appendix B for two of the education reform assurances in Part 2 of the application – Enhancing the Quality of Academic Assessments and Inclusion of Children with Disabilities and Limited English Proficient Students – are the most current available baseline data for these areas. Thus, the Department is not inviting States to submit additional information with respect to these two assurances.
- The Governor or his/her authorized representative should confirm whether the baseline data sources described in Appendix B for the four assurances referenced below – Achieving Equity in Teacher Distribution; Improving Collection and Use of Data; Improving State Academic Content and Student Achievement Standards; and Supporting Struggling Schools – reflect the State’s current status with respect to these assurances. A State that confirms the use of these baseline data sources does not have to submit additional baseline data. If a State elects not to use the identified data sources for one or more of these four assurances, it must submit other baseline data for that assurance.

The Governor or his/her authorized representative confirms that the data sources that are currently available to the Department and described in Appendix B are a reasonable reflection of the current status of the State with respect to the following education reform assurances that he/she provided in Part 2 of the Application (*check only those assurances for which the State accepts the data described in Appendix B*):

\_\_\_\_\_ Achieving Equity in Teacher Distribution Assurance.

\_\_\_\_\_ Improving Collection and Use of Data Assurance.

\_\_\_\_\_ Improving Standards Assurance.

\_\_\_\_\_ Supporting Struggling Schools Assurance.

- In completing Part 4 of the application, please refer to Appendix C – Instructions for Part 4: Maintenance of Effort.
- The Governor or his/her authorized representative should check only those MOE requirements that he or she anticipates the State will meet. If the Governor or his/her authorized representative anticipates that the State will be unable to meet one or more of the requirements, he or she should sign the additional waiver assurance in Part 4, Section B.
- For purposes of determining MOE, the term “fiscal year” means Federal fiscal year or State fiscal year (i.e., the twelve-month fiscal period most commonly used in a State for official reporting purposes).

The Governor or his/her authorized representative assures the following (*check appropriate assurances that apply*):

\_\_\_\_\_ In FY 2009, the State will maintain State support for elementary and secondary education at least at the level of such support in FY 2006.

\_\_\_\_\_ In FY 2010, the State will maintain State support for elementary and secondary education at least at the level of such support in FY 2006.

\_\_\_\_\_ In FY 2009, the State will maintain State support for public institutions of higher education (IHEs) (not including support for capital projects or for research and development or tuition and fees paid by students) at least at the level of such support in FY 2006.

\_\_\_\_\_ In FY 2010, the State will maintain State support for public IHEs (not including support for capital projects or for research and development or tuition and fees paid by students) at least at the level of such support in FY 2006.

**SPECIAL NOTES:**

- If a State anticipates that it will be unable to comply with any of the Stabilization program MOE requirements referenced in Part 4, Section A of the application, the State must provide the assurance below.
- States that anticipate meeting all of the Stabilization program MOE requirements should not complete the waiver assurance in this section of the application. *See Appendix C – Instructions for Part 4: Maintenance of Effort. The criterion for a waiver of the MOE requirements is provided in Appendix C.*
- The Department will be providing additional guidance to States regarding the process for applying for waivers of the Stabilization program MOE requirements.

The Governor or his/her authorized representative assures the following:

To the best of his/her knowledge and based on the best available data, the State meets or will meet the eligibility criterion for a maintenance-of-effort (MOE) waiver for each of the Stabilization program MOE requirements that the Governor or his/her authorized representative anticipates the State will be unable to meet.

**SPECIAL NOTES:**

- As explained in the Instructions in Appendix D, a State must determine the amount of funds needed to restore fully the level of State support for elementary, secondary, and postsecondary education in FY 2009 before determining the amount of funds available to restore the level of such support in FY 2010.
- At a later date, the Department will collect data on the amount of funds, if any, that remain available (1) to restore the level of State support for elementary, secondary, and postsecondary education in FY 2011, and (2) to award subgrants to LEAs based on their proportionate share of funding under Part A of Title I of the ESEA.
